**RE: Order Rescinding 2007 Curtailment of Ground Water Rights for the Blue Lakes Delivery Call.**

Dear Water Right Holder:

On July 5, 2007, the Director of the Idaho Department of Water Resource issued an order rescinding his order of June 15, 2007 requiring the potential curtailment in 2007 of junior ground water rights in response to the Blue Lakes Trout Farm, Inc. delivery call. This office notified you of the June 15<sup>th</sup> order in a letter dated June 20, 2007. The June 15<sup>th</sup> order required affected ground water rights to be curtailed beginning July 6, 2007.

The Director rescinded the June 15th curtailment order based upon his approval of the Idaho Dairymen's Association (IDA) replacement water plan for 2007, and both the Joint Replacement Water Plan and the Joint Supplemental Replacement Water Plan for 2007 submitted by the Idaho Ground Water Appropriators, Inc. (IGWA) on behalf of the North Snake and Magic Valley Ground Water Districts.

A copy of the order signed by the Director dated July 5, 2007, and copies of the IDA and IGWA 2007 replacement water plans, can be found on IDWR's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov). At the website homepage, navigate to the Potential Curtailment Order Information Page and select Thousand Springs Area Call. If you have questions concerning the order and this correspondence, please contact me directly at 208 287-4959. IDWR state office in Boise at 208-287-4800.

Sincerely,

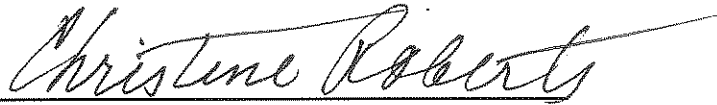

Tim Luke  
Manager, Water Distribution
